

## RMA PROCEDURE

In case our products do not meet your expectations, we want to resolve this as quickly as possible. To be able to serve you promptly, it is important that we receive the correct information as listed below.

1. Do you have enough good products in-house to continue with your production?  
Yes / No / Not-applicable
  
2. Cause of the claim
  - Received wrong product
  - Product arrived damaged
  - Product doesn't work properly
  - Product doesn't meet the requested dimensions
  -
  
3. Product name
  
4. Photo of the label on the box for traceability

Example label

5. Photos or a video of the problem will help us to properly assess the problem and to provide you with the right advice quickly.

When you have the above information complete, you can contact your distributor, who will take action to resolve the problem for you as quickly as possible:
